New Trim Colors

Rake board, flashing, wood bump-out and trim around windows, dormers, pediments, door trim, vent covers, gutters, eavestrough, downspouts, fascia trim, and porches.

Close match with Chadwicke Tan

New Accent Colors

Doors and Shutters

Approved Door/Shutter Combinations #1

If the front door is painted black, shutters can be any of these four colors.

Approved Door/Shutter Combinations #2

If the front door is painted either of these two colors, shutters need to be black.

Approved Door/Shutter Combinations #3

If the front door is painted one of these four colors, shutters can either be the same color as the door or black.

New TownHouse/Condo Signage coming soon

Rectangle Serif Brass

- Rectangle shape feels more modern.
- Serif font consistent with the old town neighborhood.
- Brass is easier to see (visitors, emergency crews, delivery).
- Black background goes with the wrought iron railings, lamp posts, and updated awning color.
- Only requires two holes (vs. three or four).

Recommended Storm Door Style – Full View

Clear glass.

Note: Not an approved door color.
